

**Question: How do I apply for a Discovery Award?**

Answer: Award recipients are nominated through the applicant's high school. The school identifies a deserving student, who is in financial need and who desires to pursue a post-secondary education in an industry-related field, to become a Discovery Award candidate.

The application form must be completed and signed by a School Guidance Counsellor or Principal. Inter Pipeline does not accept applications that do not come directly from the school.

**Question: When will the school receive the brochure and the application form?**

Answer: Inter Pipeline sends out the brochure and application form to high schools in early March by email and mail.

**Question: When is the last day to submit an application form for the Discovery Awards Program?**

Answer: The school will nominate a candidate by June 1st. All applications can be sent by either email or mail.

**Question: Are International Student eligible to apply for an award?**

Answer: Inter Pipeline grants Discovery Awards to high school students who are permanent residents or citizens of Canada only and who have a social insurance number for income tax purposes. Inter Pipeline will provide the T4A tax form.

**Question: Which post-secondary programs / fields are considered for a student to be chosen for the award?**

Answer: Inter Pipeline will grant Discovery Awards to those students who wish to pursue a post-secondary education in an industry-related field.

Examples include: Accounting, Automated Systems Engineering Technology, Business, Legal, Computer or Information Technology, Engineering and Engineering Technology, Finance, Industrial Instrumentation Technology, Investor Relations, Instrument Mechanic, Machinist, Millrights and Welding Apprenticeship, Process Operations, Public & Community Relations, and Other Oil and Gas professions and trades.
