

Wednesday, April 7, 2021 – Day 1

Principal's Message:

Students, we hope you had an excellent spring break.

First off, we would like to thank you again for your continued cooperation and leadership displayed throughout the first seven months of the school year. We could not be prouder of the way our Sabres have conducted themselves.

Now, as we embark on our final quarter of the school year, we need to ensure that we all continue with our responsibility in staying safe and following all the safety protocols.

We wish you all the best in wrapping up quarter 3 and having an awesome start to quarter 4.

Mr. Sandhu
