Pride 2021: History & Heros

- **History:** On 20 July 2005, the federal Civil Marriage Act came into force, making same-sex marriage legal across Canada. Marriage itself falls under federal jurisdiction in Canada. However, the provinces regulate the solemnization of marriage (the formal ceremony that is either civil or religious). Alberta's recognition of the Civil Marriage Act in July 2005, led to the first same-sex marriage license being issued in that same month to Keenan Carley and Robert Bradford of Edmonton.
- **Hero:** Billy Porter is an openly gay American actor, singer and style icon, known for his roles in several prominent films, including American Horror Story. He came out as gay at 16 years old, "in the middle of the AIDS crises." Porter, along with denouncing white supremacy, also spoke about his experience with HIV, type 2 diabetes and struggle through COVID with pre-existing health conditions. He continues to speak out for those in the LBGTQIA+ community.

"You may forget but let me tell you this: someone in some future time will think of us" --
