

Thursday, May 12, 2022– Day 2

According to a report released by the RCMP last year, 1,017 women and girls identified as Indigenous were murdered between 1980 and 2012 - a homicide rate roughly 4.5 times higher than that of all other women in Canada.

Today, some of your fellow Sabres are showing their support for the Moose Hide Campaign (standing up to end violence against women and girls) by fasting from sunrise to sunset. You can show your support by wearing a Moose Hide Pin. Stop by the table near the stairs at lunch today to pick up yours.

### **Student Information:**
