

Thursday, June 16, 2022– Day 1

Exams:

For all Final and Diploma Exams, **locations will be posted outside the office and at the main stairwell.** Please be respectful of these students and avoid congregating in areas around the writing rooms. Students writing diplomas must be in the room 15 minutes prior to the start of the exam along with photo ID (School ID can be printed off in the office, or driver's license). No hats, backpacks, cell phones, smartwatches, textbooks, etc. are allowed in the writing room – please leave in your locker. Bells will be turned off during the exam.

Student Meetings:

- **Yearbook Meeting:** This week's meeting will be on Thursday at lunch in room 133.

Year End Information:

- **Yearbook Ordering Deadline:** The deadline to order yearbooks is **June 16.** There will be no extensions after this date.
- **Library Materials:** Students are asked to return all textbooks, library books, and any technology they have borrowed to the library. **All non-textbook material is due by June 16.** Textbooks required to study for finals may be kept until the morning of the final exam in that subject.

Please return all textbooks to the library by June 27.

- **Lost & Found:** Lost and found items from the office and gym areas are available to claim outside the general office. Please check for any items you may have misplaced throughout the year.
- **Lockers and Locks:** After your last exam please clean out your locker and bring your lock to the office.

Student Information:

- **Visual College of Art and Design Virtual Open House:** Discover our campuses in Vancouver and Calgary and learn what VCAD can teach you about design. Do you have a flair for the creative? Have you thought about a career in art or design?

Come meet with us to find out about all the exciting programs VCAD has to offer. You can chat with faculty and instructors and ask them about our campuses, programs, social events, and more. <https://www.vcad.ca/>

Programs Include: Marketing and Merchandising for Fashion, Game Development and Design, 3D Modeling Animation Art and Design, Architecture Design and Technology, Interior Design, Graphic Design, Visual Effects Art and Design and Fashion Design.

Grad 2022:

Your 2022 Grad lanyards and composites are now available in the office to pick up.
