THE GRAD LIST

VALEDICTORIAN

- Valedictorian – by definition, is the student with the highest academic average in their senior year who delivers the valedictory speech the graduation.
- Following the example of the Alexander Rutherford Criteria, at SAL, we use all grade 12 (or 30 level) course marks in our calculation. ELA must be used along with the top four marks from all other subjects to calculate an average for each student based on the five marks. The student with the highest average is named the valedictorian.
- The valedictorian is usually decided upon in Mid-May.

STUDENT LIP SYNC/MUSIC - MAY 6

- We will be filming the LIP SYNCs with the students on May 6th. **We ask for 7 groups of 4 students or less.** The exception being if we have a larger group doing a dance or acting out a scene.
- A google doc will be sent to your students on Friday. Please have your students check their email.

- The parent video film shoot will be held on May 6 from 4:00 – 6:00 p.m.
- If you are interested in being part of the Parent Video for Grad, please contact Mr. Samaratunga at kyle.samaratunga@eips.ca. Each interview lasts between 5 – 7 minutes.
- 8 parents will be able to sign up.

GRAD PARENT VIDEO

How parents can participate in the video:

Once again, we're honored to help tell the story of your journey — the laughter, growth, and love that's led your child to graduation.

As part of this year's tribute, we'd love to include photos of your graduate from different stages of their life.

Please upload up to 3 photos using the link below. We will include at least one of the submitted photos in the final film (more if space allows). **If you have a single favorite photo that captures your child best, feel free to just share that one.**

Photo #1 – The Early Years (Ages 0–5)

A sweet moment from babyhood to kindergarten — first days, silly faces, or early milestones.

Photo #2 – The Middle Years (Ages 6–12)

Field trips, sports, school concerts, art projects — whatever captures their personality during the elementary years.

Photo #3 – The Teen Years (Ages 13–18)

A recent photo from high school — formal or fun — that shows who they are today.
