

Thursday, May 22, 2025 – Day 1

Students, please continue to be respectful and responsible community members for our commercial and residential neighbors. That means driving carefully in and around the county library and Festival Place. As well, utilize the outdoor garbage cans or bring your garbage into the school for disposal. We are fortunate to have Salisbury situated within a mixed neighborhood so do your part to keep it safe and clean. Thank you.

Constable's Corner:

As the end of the school year approaches, we are asking our graduating students who are choosing to play the "Senior Assassin" water gun game to stay safe and follow the rules. While the game is meant to be fun, it should not cause safety concerns or lead to misunderstandings that require police involvement.

We are hopeful students will continue to enjoy the tradition safely and are reminding participants to be mindful of how the game can be perceived, especially when using toy weapons in public. One of our concerns is that the weapons used while playing the game often look realistic and at times are even painted black to appear like a real firearm. Anyone who damages property or injures a person or animal by discharging an air gun or replica firearm could be subject to criminal charges as well as civil liability. We strongly encourage parents to monitor their children's use of these types of guns if they have access to them.

Cst. Cheri-Lee Smith
Strathcona County RCMP School Resource Officer

Student Meetings & Events:

- **CONGRATULATIONS! To Kayla Klita for winning GOLD in Fashion Technology at the Skills Canada Alberta Provincial Competition May 7 & 8.** Kayla is now part of Team Alberta that will be competing in Regina Saskatchewan May 29 - 30. Way to go Kayla!
- **Yearbook Deadline:** The final day to purchase the 2025 Yearbook is **Monday, May 26.** Please purchase yours before this day as there will be no chance to purchase after this date and there are no extras purchased.

- **Salisbury Olympics:** Hey Sabres! Come play or watch SAL Olympics on Friday, May 23, after school in the field! Sign up with no entry fee to play fun games, win prizes, or come for a barbecue (cash only). All profits will go to the Bissell Centre in Edmonton!

Career Pathways:

- Students who have registered for **HCS3000: Workplace Safety Systems; HCS3010: Workplace Safety Practices; and AGR3000: Agriculture Safety** are reminded that these 1-credit courses are due **Friday, June 6**.

*HCS3000 is a prerequisite for HCS3010.

Grad 2025:

- **Grad Tickets:** Grad tickets are now available. Ceremony tickets can be purchased through [Showpass](#) and Prom tickets can be purchased online through [PowerSchool](#). Please note that ceremony tickets have a limit of 8 tickets per transaction so if you need more tickets, you just need to purchase again. If you have purchased Prom tickets, an email will be sent to the student's email when they are ready for pick up in the office.
- **Grad Gown Pickup:** If you were unable to pick up your gown during the pickup days, please come to the office.

Athletic Information:

- Please see our [Athletic Calendar](#) for updated athletic events happening this week.

SAL Cafeteria:

Please see the attached menu for this week.
